

BAIS UPDATE

Dear Parents,

As we approach the end of the school year, bear in mind that we only have roughly six weeks of classes remaining. That is quite hard to believe! This means it is more important than ever that your child gets enough rest each night, proper nourishment, and a huge amount of love and encouragement. These are key factors in their successful completion of this academic year.

It is exciting to think about our Kindergarteners soon becoming 1st graders, our 5th graders preparing to enter middle school, our 8th graders getting ready to start high school, and our dear 12th graders preparing to enter the world of university. Thank you for your continued support and partnership as we look forward to the exciting weeks ahead!

"This is the day the Lord has made; let us rejoice and be glad in it." [Psalm 118:24](#)
